

Middle School Youth Group Information!!

The EDGE middle school program is going strong and will continue in September! We have a dedicated group of volunteers presenting the program once every two weeks.

Our first Fall meeting will be Sunday, September 8th, right after the 5:00 pm Mass.

Every meeting begins in the gym, where we enjoy a meal together. From there we move to our dedicated meeting place in Guadalupe Hall. Each meeting for Fall semester, 2019 is part of the program “For You/From You”

The Lifeteen EDGE program is a wonderful opportunity for middle schoolers to grow together in the Catholic faith while having a good time. The EDGE core team is very excited to be hosting your children during the school year.

The September-December theme “For You/From You” is an exploration of Morality and the Ten Commandments. Each meeting will include games, getting-to-know-you activities, discussions, and so much more.
